On February 18th, former Kansas City Athletics players Joe Azcue and Diego Segui were the guests at the KCBHS meeting, held at Chappells Sports Bar & Museum. A full room of KCBHS members and first time guests appeared, and were thoroughly entertained by the anecdotes and stories told by Joe and Diego about their playing days. Both fondly recalled their playing days at the old Municipal Stadium, along with other highlights of their careers as they moved to other teams. They answered questions from the attendees and had as much fun as the attendees did, also taking the time to sign autographs and chat with KCBHS members after the meeting concluded. The KCBHS wishes to thank Joe and Diego for appearing at our event, and for many wonderful baseball memories.
